Forwarder Reference No.: WUX200232462

For pick-up and return of Containers please always use the appropriate Booking Number.

Stowage of containers on vessels is subject to carrier's sole discretion (see clause 6. Hamburg Sud or Alianca Bill of Lading or Sea Waybill terms and conditions). Unless expressly agreed in writing the carrier does not undertake to accept any particular request, instruction or condition including, but not limited to, special stowage requirements.

The conditions of our Bills of Lading and Sea Waybills contain limitations of liability which deviate from German statute law.

Booking confirmation subject that cargo is non prescribed (non flag bound).

For FCL bookings only:

It is Merchants responsibility to ensure that the gross cargo weight loaded into containers does not exceed the maximum payload as specified by container manufacturers and classification societies and clearly indicated on every container. In case of Pre-/On-Carriage it is Merchants responsibility that weight does comply with the valid legal and/or local limitations

Carrier does not accept to carry goods that contain shark fins and/or endangered species of fauna and flora which are listed in Appendix I of the Convention on International Trade in Endangered Species of Wildlife Fauna and Flora (cites), including their related products (<http://checklist.cites.org>).

Fumigation of Cargo Transport Units (UN3359)

The carriage of Cargo Transport Units (CTU = Containers, etc.) under fumigation is covered by the IMDG Code whereby these units are classified in the Dangerous Goods List as UN3359, FUMIGATED CARGO TRANSPORT UNIT, Class 9.

Please refer to the IMDG Code section 5.5.2 Special provisions applicable to fumigated cargo transport units (UN3359), to the IMDG Code Supplement Recommendations on the safe use of pesticides in ships applicable to the fumigation of cargo transport units, and to the MSC.1/Circ.1361 Revised Recommendations on the safe use of pesticides in ships applicable to the fumigation of cargo transport units.

It is the shipper's responsibility to issue the appropriate dangerous goods declaration and to ensure that the Cargo Transport Units (CTUs) are clearly marked by the FUMIGATOR with the appropriate fumigation warning marks according to IMDG Code paragraph 5.5.2.3, stating the type and amount of the fumigant used and the date and time of fumigation. The fumigation warning marks shall be removed only when the fumigated cargo transport unit has been ventilated and unloaded.

The shipper must ensure that the vessel's master is informed prior to the loading of the fumigated cargo transport unit on board.

We reserve the right to claim for compensation in case of non-performance with these rules.

For FCL Bookings only:

With receipt of this booking confirmation, the shipper or other cargo interested party undertakes to seal the container(s) with high-security seal(s) (meeting the specifications of ISO/PAS 17712 and any subsequent amendment or new definition thereof) immediately after stuffing is completed and before it is delivered to us and, as part of the shipping instructions, to forward the seal number together with the precise contents of the container to the carrier.

As indicated in the transport plan, the port facilities, if given, are planned and therefore subject to change at the carrier's discretion.

We reserve the right to claim for compensation in case of non-performance.

Important notice regarding shipment of cargo to/from/via Brazil:

Please inform wooden package details within the Shipping Instruction provided to the carrier.

Due to normative instruction 32/2015 from Mapa, in case of any transportation of wood or wooden materials, it is the exporter/merchant's responsibility to provide the necessary information regarding the goods as well as to take all the necessary measures to comply with such instruction, hereby acknowledging the non-liability of the carrier for any mistaken information or non-compliance, holding carrier free of any responsibility, acknowledging that the carrier will have to comply with any order issued by the public authorities and granting the carrier the right to reimbursement of any eventual costs or penalties applied.
